TERRA NOVA TESTING

Terra Nova Multiple Assessment Testing will be taking place from March 4th through the 10th, and will be administered to grades 3,4, 5, 6 and 7. The goal of the Terra Nova Test is to assist us in helping your child to learn more effectively.

Please make sure that your child is punctual the morning of the testing. Eat a good breakfast and get a good night sleep. We will be giving students a snack of raisins and gold fish during the testing week. This should in no way take the place of a good breakfast.
